Dear Mr. Burg + Mr. Mann,

Hi! My name is Nadra, and I am 10 years old!

I just got finish reading your dad's book, "The Go-Giver" And I loved it! I also shared with some people and found that it was a great opportunity for to increase my success of becoming very, very successful like you two. And I thought that would be great to capture that opportunity. So I did! I also learned how to be a Go-Giver! And now I am giving more than I used to, and also helping others to become successful like both of you! I'll be a true Go-Giver!

-Thanks,

-Nadra Burnett-
